

# Directions

1. Find a partner
2. Choose one person to be the artist and one person to be the chef
3. The artist should cut up the “color cards” while the chef cuts up the “food cards.”
4. The artist should shuffle the color cards and then place them in a row on the desk.
5. The chef should now try to find the “red” card by turning over one card at a time.
6. After the chef finds the “red” card, the chef should shuffle the the food cards and place them in a row on the desk.
7. The artist should now try to find the “pizza” card by turning over one card at a time.
