

## Choose Your Own Project 1 Worksheet

Name: \_\_\_\_\_

You will have today and tomorrow to make a brand new project of your choice in Scratch. You may make a movie, game, or song in Scratch, or do anything else you like.

### ***To get full credit for this project, you must:***

1. Complete the planning questions below.
2. Use ALL of the class time available to make and modify your project.
3. Have Mr. Bruno sign off on your completed project by the end of class on Friday.

*Planning Questions* – Answer BEFORE beginning your project.

1. What kind of project do you want to make? A movie? A game? Something else?
  
2. Write at least THREE COMPLETE SENTENCES describing the project you want to make.
  
  
  
  
  
  
  
  
  
  
3. Are today and tomorrow enough time to complete this project? (Remember, you will need to be done by the end of class on Friday and will need to keep working on the project until the end of class on Friday – no finishing early!) Yes or no?
  
  
  
  
  
  
  
  
  
  
4. What blocks are you probably going to need to complete your project?

You may now begin your project. When you are finished, show your project to Mr. Bruno so he can sign off that you completed it and grade it according to the rubric below.
